What a Ride! The last few years have been a roller coaster for sure!

On behalf of the Arlington County Fair Board of Directors, I would like to welcome you to the 46th Arlington County Fair. We hope you have a fantastic experience over the next five days and nights!

The Arlington County Fair is a nonprofit organization and, as always, we are thankful for the generous support of our sponsors, individual donors, and partners who make this event possible.

We are immensely thankful to the Arlington County Government for their support and to the residents of Arlington Heights who graciously share their neighborhood with us every year. Additionally, the Fair wouldn't be possible without the dozens of volunteers who give their time and energy to the Fair for five hot days in the middle of August.

As a result of the support we receive, we are able to provide a multitude of free programming. Those two words - free programming - drive us. Our greatest desire is to provide a unique experience that is inclusive of our entire community. Free programming ensures that all Arlingtonians can have an amazing time at the Fair.

If you love the Arlington County Fair, please consider making a donation of \$10, \$25 or even \$1,000 to support this annual event. Our all-volunteer Board of Directors works hard all year long to plan and implement this annual event for our community. Yet, our expenses often exceed our income. Your donation will help keep the Arlington County Fair going strong.

Barbi Broadus, Chair  
Arlington County Fair Board of Directors
